This disclaimer is produced in various languages. In the event of divergence among different versions, the Chinese version shall prevail when the product in question is purchased in Mainland China, and English version shall prevail when the product in question is purchased in any other region.

Profile

The Car Charger for Inspire 1 is used to charge the Intelligent Flight Battery or remote controller through a car's cigarette lighter port. It comes with low-voltage protection and overheating protection which automatically cut off charging if your starting battery voltage is too low or cigarette lighter port exceeds a certain temperature.

Using the Car Charger

1. Connect one end of the car charger to your car's cigarette lighter and the other end to the Intelligent Flight Battery or remote controller.

2. The car charger's LED indicator glows solid green when charging.
3. When the LED lights on the Intelligent Flight Battery and remote controller turn off, charging is complete and you should disconnect the car charger from the cigarette lighter port.

- DO NOT cover the car charger. Ensure that there is sufficient heat dissipation.
- Always place the car charger on a stable surface.
- Use the car charger when the engine is running to attain optimal performance.
- It will take a longer time to charge the Intelligent Flight Battery and remote controller together.
- If the car charger becomes loose and is reconnected when charging, you may need to unplug and plug the Intelligent Flight Battery to resume charging.
- DO NOT touch the metal connector after it is unplugged.

Specifications

| | |
|-----------------------|---|
| Product Model | C6S90 |
| Operating Temperature | 32° to 104° F (0° to 40° C) |
| DC Input | 12.3-16 V (Sedan) 25-30 V (Coach) |
| DC Output | 26.1 V; 3.45 A; 90 W |
| Charge Time* | 1 hr 40 min (TB47 Intelligent Flight Battery) 2 hours (TB48 Intelligent Flight Battery) 3 hr 20 min (remote controller) |

* The charge time was tested in a lab environment at room temperature and should be taken as reference only.
